Record of Sternberg Hospital.

Dr. Giffin was given charge of the construction of the Sternberg hospital on August 1, and after the hospital was completed the chief surgeon there.

He considered the water supply good. The sinks were poorly located. They were too near the kitchens and were too shallow.

Many of them were only seventy-five feet from the company kitchen and were open when they arrived. He then had them moved farther back and gave directions for daily disinfection and covering. By this time, however, the regiments were all infected, as he thought, by the flies going from the sinks to the mess table.

He thought that the contract surgeons should have been examined before they were appointed. He was not so expert in his knowledge.

He was particularly not to allow any of the patients to leave for home until they were sufficiently recovered to render it safe for them to do so.

WILL NOW EXAMINE CAMPS

War Investigating Commission Starts Inspection the 16th.

ARMY OFFICERS ON HOSPITAL CONDITIONS

Carelessness of Men in Taking Sanitary Precautions Responsible for Diseases—Hospital Conditions the Best.

WASHINGTON, Oct. 8.—The war investigating commission examined two witnesses today. They were Dr. Giffin, who was in charge of the Sternberg hospital at Camp Thomas, Chickamauga Park, Ga., and Captain Belridge, a brigade commissary of subsistence at Camp Cuba Libre at Jacksonville.

The commission has practically decided to start on the night of the 16th on its round trip to various camps. It will go first to Camp Meade, to Jacksonville, Fla.

All the camps will be visited in succession, but the understanding is that the trip to Camp Wikoff will not be made until some time in November. Next week will be given largely to the inspection of official reports and to their statements that have been furnished in reply to letters from the commission.

Major Hersey was quoted yesterday as saying that Mr. Wrenn of the Rough Riders, as well as Mr. Tiffany, had died. The statement was an inadvertence and was due to the coupling of the two names and to the fact that Mr. Wrenn was ill.

Giffin was a brigade surgeon at Camp Thomas, and told of his visit to the Second division hospital in July last, when, he said, it was overcrowded. In each tent and under its flies there were eight or nine men when there should have been from four to six.

He said that he had seen some strikingly competent men. The majority of patients were suffering from typhoid fever and general diseases, about 20 per cent being of the latter class. He thought the coupling of the hospital was from lack of sufficient care, a fault due to the surgeon in charge.

Dr. Giffin advocated regimental, rather than division hospitals. The division hospital surgeons were competent in their profession, some of them being the most competent in the United States, but they were not men of executive ability.

He considered the water supply good. The sinks were poorly located. They were too near the kitchens and were too shallow.

Many of them were only seventy-five feet from the company kitchen and were open when they arrived. He then had them moved farther back and gave directions for daily disinfection and covering. By this time, however, the regiments were all infected, as he thought, by the flies going from the sinks to the mess table.

EXPECT TO WIN THE STRIKE

White Miners at Pana Decline to Leave and Accept Work Elsewhere.

SHERIFF CALLS FOR THE TROOPS.

Consider the Conditions at Virden Warrant It.

ST. LOUIS, Oct. 8.—A special to the Post-Dispatch from Carlinville, Ill., says that Sheriff Davenport has called on the governor for troops to preserve order in Virden.

Miners are on strike. At Springfield yesterday Operator Luckens, Sheriff Davenport and Secretary W. D. Ryan of the State Miners' union held a conference with Lieutenant Governor Northcott, the acting state magistrate. Luckens requests that troops be sent to Virden, but Acting Governor Northcott declined to do so, saying there was no urgent need.

He said, however, that troops will be furnished by the state if Sheriff Davenport called for them. Today when Ryan returned to Carlinville he met some miners and learned some striking miners had left for Virden and more were coming in from Mount Olive and other mining towns. Several deputies had been driven out of Virden and the sheriff thought the presence of troops was necessary to preserve order. He accordingly made his request to the governor.

CHURCH MATTERS IN DAKOTA

Congregational Association Meets Tuesday and Presbyterian Synod Now in Session.

HURON, S. D., Oct. 8.—(Special.)—The Congregational churches comprising the Central association will meet in annual session in Winfred on Tuesday and Wednesday, October 11 and 12. It will be the eighteenth annual gathering, and will be attended by prominent members of the Congregational denomination from various parts of the state.

The opening address will be delivered by Rev. W. H. Thrall of this city, state superintendent of Congregational missions. "Our Old Testament Predecessors," is the subject of an address to be delivered by Rev. Charles A. Brand of Huron. "Sabbath Observation" will be discussed by Rev. Edwin Martin of Iroquois, and Rev. E. J. Johnson of Rapid City.

Rev. T. H. Hill of Aurora will speak of "Congregationalism in England and Its Relation to the Churches in America." Rev. Julius Stevens of Bryant will deliver the associational sermon and Mrs. E. M. Williams of Yankton and Mrs. W. A. Burroughs of Erwin will address the women's missionary meetings. The Christian Endeavorers will be addressed by Rev. P. B. Fisk of Red Heights and Miss M. G. Montague of Carthage.

The South Dakota Presbyterian synod is in session here, with prominent ministers and laymen present from all parts of the state. The session will not close till Monday.

Name a County Commissioner.

CANTON, S. D., Oct. 8.—(Special Telegram.)—The Third district republicans today nominated Fred Gerber as candidate for county commissioner. He will be able to defeat the fusion candidate.

FIRE RECORD.

See also Amusement Buildings.

ATLANTIC CITY, N. J., Oct. 8.—The most costly block of amusement buildings and stores on the beach front was destroyed by fire early this morning within two hours of the time the fire broke out. Twenty buildings, occupied by about fifty business establishments, were burned and a half dozen families were rendered homeless. The loss is estimated at \$250,000.

For a time the fire threatened to get beyond the control of the local fire department, and assistance was asked for from Camden and Philadelphia. An hour later two steamers reached here from Camden, but the request for the engines from Philadelphia was cancelled before they could be placed on the train. The burned district covers the block extending from Tennessee to New York avenues, and from Ocean avenue to the beach front. In the confines of the block were located two large merry-go-rounds, valued at \$20,000 each, and two of the largest bric-a-brac emporiums in the city, each carrying a stock valued at nearly \$5,000, and the Palace amusement building, recently erected at a cost of \$30,000. Considerable property in the two large emporiums was saved, but the amusements, with their contents, with the exception of the orchestras, were totally destroyed.

DEATH RECORD.

Prominent Pastor's Wife.

DEADWOOD, S. D., Oct. 8.—(Special Telegram.)—After years of suffering Mrs. C. B. Clark, wife of Dr. Clark, pastor of the Methodist church of this city, also state commander of the Grand Army of the Republic, died last night. She will be buried Monday at Mitchell.

Second Corps to Go South.

CAMP MEADE, Middle Tennessee, Oct. 8.—Major General Graham received orders from Washington today to begin the movement of the Second corps to Georgia the last Thursday in October. This is the day fixed for the Philadelphia peace jubilee and the orders may interfere with the general's plans to parade a provisional division. The officers at corps headquarters believe the stay at the southern camp will not exceed a week and that the boys will eat their Christmas turkey in the West Indies.
